

Peoples Bank & Trust Mobile App Guide

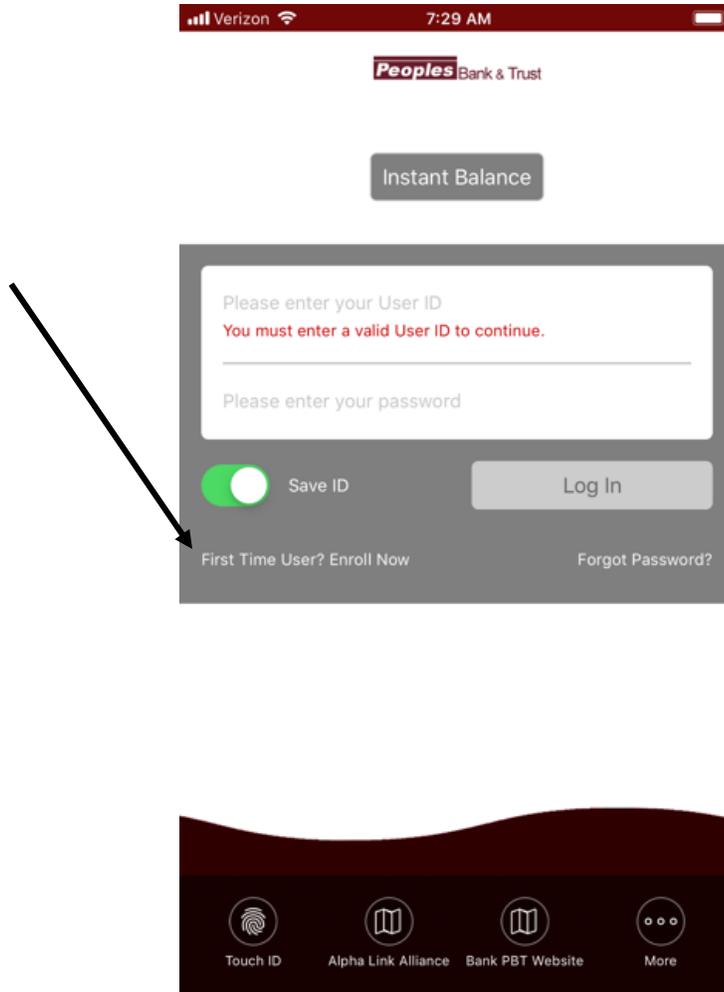

Peoples Bank & Trust now offers mobile banking and mobile deposit for a fast, easy and convenient way to bank. You can have instant access to your accounts that is quick and secure. Conveniently view up-to-date balances, transfer money between accounts, pay bills, and deposit checks from any smart phone.

Simply go to your App Store on any smartphone and search for Peoples Bank & Trust. The app will look like the one below.

If this your first time creating a log-in, click First Time User.

You will then be prompted to complete the enrollment. You will need to enter information such as address, date of birth, and email address. After clicking Begin Enrollment, you will be asked a series of questions to confirm identity. You must answer three of the four questions correctly in order to set up your username and password. Should you encounter any difficulties, please contact a consumer banker at 888-728-1954.

Enter your username and password from your online banking account, then click Log In.

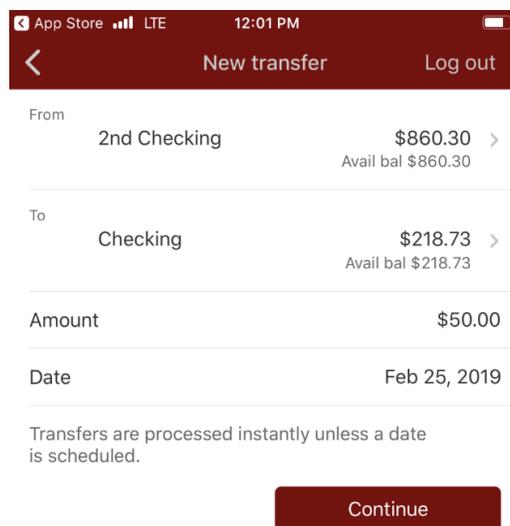

Once logged in, your account(s) will be listed on the home page.

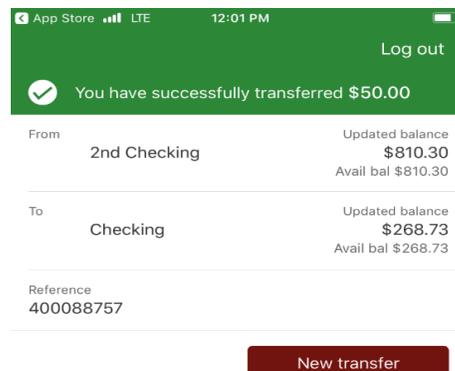

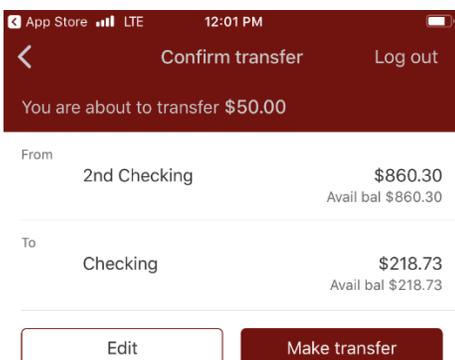

On the Transfers screen, you can choose to complete an internal transfer which will post on the current business day or schedule a transfer to occur at a later date.

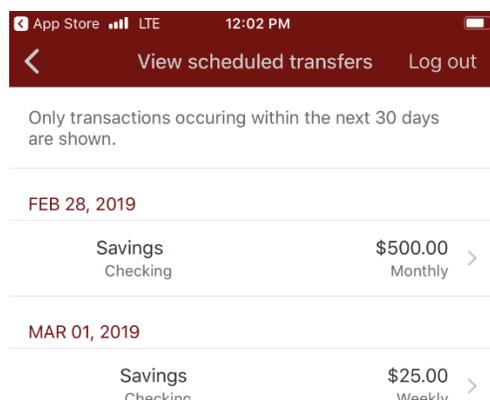

Enter required information: the account the funds are coming from, the account the funds are going to, the amount, and the date you'd like the transfer completed, then click continue. The transfer will happen immediately unless you select a future date.

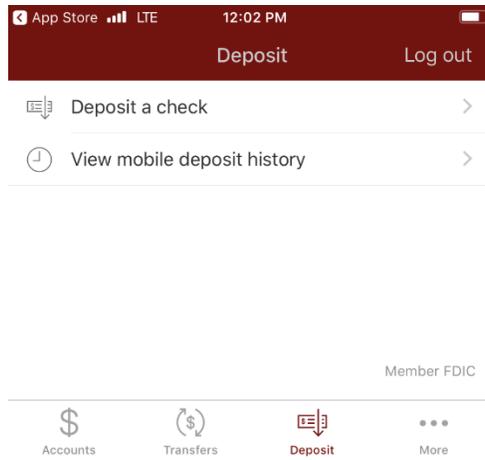

Verify the information is correct, then click Make Transfer.

A future dated transfer is called a scheduled transfer. You can view scheduled transfers from the transfer button as well. These transfers will occur at the end of the business day you have chosen.

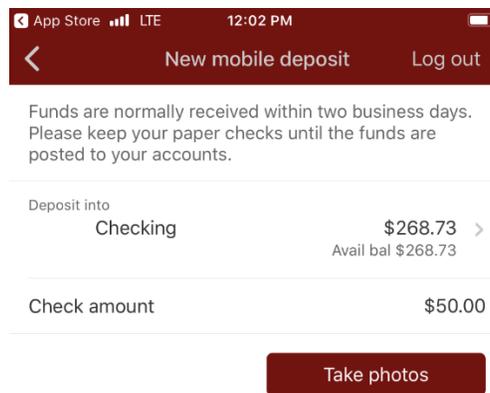

To deposit a check using your smartphone camera, click on Deposit.

Select which account you would like the mobile deposit to be deposited into and then enter the check amount.

Click Take photos. Remember to endorse the back of the check with “For mobile deposit only” before taking pictures. Checks written for \$1,500 or less can generally be deposited through the mobile app.

Click to get more information about other locations, terms and conditions, change password, find ATM locations, and PBT website.
