

Set Up and Using Online Bill Pay

Online Bill Pay is an additional feature added to the internet banking service to help make your hectic life a little easier. It is a fast, easy, secure way for you to take care of your bills. You are able to pay almost anything through your PC; from your credit card bill to your lawn care provider. You can set up your payments, and never have to worry about getting to the post office on time or getting stamps.

- Enrollment is fast, easy and secure, simply click on the Bill Payment tab
- Read the terms and conditions as well as the privacy policy of the bill payment service, then click Continue.
