Chatham, Illinois: As a community bank, Peoples Bank & Trust recognizes the value of volunteerism in our communities. To recognize, commend and promote the volunteerism, Peoples Bank & Trust has established a program to recognize an outstanding community volunteer who personally exhibit outstanding volunteerism and promote the improvement of our communities.

The Glenwood Choral Boosters have been chosen as the current Peoples Bank & Trust Volunteers of the Quarter.

Glenwood Choral Boosters is made up of a large group of parent volunteers who strive to make fundraisers successful and to help with the cost of the chorus department, who supports the needs of each choir. Titan Fever Show Choir is one of the choirs supported by this group of volunteers. Last year, Titan Fever was named Grand Champion at Show Choir Nationals in Nashville. This year, the show choir will have 50 singer/dancers and 17 combo members. They have been busy performing this year for the Postmaster's Induction Ceremony at the Old Capitol Rotunda and for the Secretary of State for a veteran's ceremony at the State Library. Titan Fever has other performances scheduled throughout this coming school year, including concerts featuring all of the choirs. Glenwood High School's choral department is under the direction of Mr. Jeff Gemar.

In honor of their services, Peoples Bank has donated to the Glenwood Choral Boosters and their name will be placed on a plaque displayed at the bank.
